

5' 6 9/16"

A technical drawing showing a sloped line with two dimension lines. The upper dimension line is labeled '5' 6 9/16"'. The lower dimension line is labeled '3' 11 7/16"'. The lower dimension line is parallel to the sloped line and is positioned below it. The sloped line is yellow, and there is a pink vertical line to its left.

3' 11 7/16"
