

16' 2 1/4"

The image shows a technical drawing of a roof structure. A yellow beam is supported by several vertical posts. A dimension line with arrows at both ends is drawn parallel to the beam, indicating a length of 16 feet and 2 1/4 inches. The drawing uses various colors: yellow for the main beam, cyan for a secondary beam, green for vertical supports, and orange for other vertical elements. The background is white.

16' 2 3/16"
